# *Virginia Wellington Cabot Foundation 2019 Annual Report*

---

“The mission of the Virginia Wellington Cabot Foundation is to benefit mankind through the practice of responsible philanthropy and to inspire, educate, and unify the descendants of Tom and Virginia Cabot in a worthy cause.” The following is a list of those grants family members have sponsored in 2019.

Culture and Humanities	\$ 193,000
Education and Youth	\$ 372,000
Conservation and Environment	\$ 322,500
Health and Human Services	\$ 427,500
Matching Grants	\$ 77,987.19
Total Given	\$ 1,392,987.19

## Culture and Humanities

- American Academy of Arts and Sciences 20,000

The American Academy of Arts and Sciences is one of the country’s oldest learned societies and independent policy research centers. It brings together leaders from across disciplines, professions, and to discuss some of the most critical challenges facing our global society. The Academy provides authoritative and nonpartisan policy advice to decision-makers in government, academia, and the private sector. This grant is for the Academy’s two fellowships in the Humanities and Culture.

· **Boston Lyric Opera** **10,000**

As the oldest opera company in all of New England, Boston Lyric Opera celebrates the art of voice through its mission build curiosity, enthusiasm and support for opera. The organization does so by creating compelling musical and theatrical productions, events and education for the people of New England and beyond. This grant is in support of the Community Engagement Committee, a group of Board members and Community Ambassadors.

· **Gateway Arts** **20,000**

Gateway Arts is an arts-based vocational rehabilitation service which provides individualized career development to over 100 adults with disabilities who have talents in fine arts. With the support of professional staff, artists are encouraged to develop their unique personal artistic identities and careers through learning new skills and techniques. Many receive local and international recognition for their work due to Gateway's gallery, store and online presence. This grant is in support of facilities renewal projects.

· **Imbali Visual Literacy Project** **20,000**

In operation for over 31 years, Imbali Visual Literacy Project facilitates crafts training and skills development for women and youth in South Africa from disadvantaged backgrounds. Their mission is to build the economic, social and personal self-reliance of its participants through art, culture, education, and training. \$10,000 is in support of the the Imbali crafts training program and \$10,000 is in support of the Imbali Life Skills Programme 2019.

· **Intrarti/Koufonisi Music Festival 2019** **5,000**

Intrarti is the legal entity representing Koufonisia Classical Music Festival. The aim of Intrarti is the non-profit cultivation, development and promotion of classical and contemporary music. Intrarti also works to present works made by Greek and foreign composers, through the organization of events such as the Koufonisia Classical Music Festival (which will feature internationally acclaimed artists). This grant is in support of the Koufonisia Classical Music Festival 2019.

· **Jackson Memorial Library** **10,000**

The Jackson Memorial Library works to foster education, enrichment and personal development in the residents and visitors of the St. George Peninsula. Over the course of its operation, JML has expanded to function not only as a library but as a community center, providing accessible and enriching information, materials, services and programs to families and individuals of all ages. This grant is in support of the Pre-Kindergarten program for St. George residents.

· **The John & Mabel Ringling Museum of Art** 15,000

The Ringling Museum of Art is the state art museum of Florida and is administered by Florida State University. The Ringling is one of the largest university arts complexes in the United States, attracting more than 400,000 visitors annually. Their recently-founded Conservation Department Fellowship provides graduates of university-based art programs with the opportunity to enhance their background with invaluable hands-on experience. This grant is in support of the Second Year of Art Conservation Fellowship at The Ringling.

· **Kartemquin Educational Films** 10,000

Having embraced a vision of “democracy through documentary,” Kartemquin Films is a collaborative community which empowers documentary makers who create stories that have real-world consequences and foster a more engaged, just society. This grant is in support of Diverse Voices in Docs, an annual mentorship and development program for documentary filmmakers of color in the Midwest.

· **National Academy of Science** 20,000

The National Academy of Sciences was chartered by Congress in 1863 under an Act signed by Abraham Lincoln to provide critical scientific advice to the nation. In 2008, The National Academy of Science launched The Science and Entertainment Exchange program, which connects entertainment industry professionals with top scientists and engineers to create a synergy between accurate science and engaging storylines in both film and television programming. This grant is in support of the Science and Entertainment Exchange.

· **National Film Preserve/Telluride Film** 10,000

The National Film Preserve hosts the annual Telluride Film Festival with the intention of creating a festive and educational atmosphere for film preservation. The festival is highly regarded and brings dozens of programs to Telluride which incorporate discussion and analysis into their film presentations and promote the discovery of new trends and directions in film. This grant is for general operating support.

· Origin Theatre Company 10,000

Founded in New York City in 2002 by Irishman George C. Heslin, Origin has been telling stories that stir emotion and explore cultural identity from fresh new voices from Europe since its conception. Since then, Origin has established itself as the gateway to North America for Europe's most respected award-winning playwrights. This grant is in support of Origin Theatre's 2018-2019 NY season of cultural activities.

· The Raymond F. Kravis Center for the Performing Arts 10,000

The Raymond F. Kravis Center for the Performing Arts' mission is to enhance the quality of life in Palm Beach County by presenting a diverse schedule of national and international artists of the highest quality; offering arts education programs; and providing a Palm Beach County home for the arts organizations to showcase their work. This grant is in support of "Come From Away: The Sanctuary Project," a new arts education program.

· Society for Classical Studies 10,000

Founded in 1869 as the American Philological Association, the Society for Classical Studies is the largest membership organization in North America dedicated to the study of the ancient Mediterranean. Its mission is to advance knowledge, understanding, and appreciation of the Greek and Roman world, and boasts a large membership base of students, teachers, professors, and non-professional students of classical studies. This grant is in support of Classics Everywhere: a micro-grant program for public engagement with classical studies in the US and beyond.

· Society of the Muse of the Southwest 5,000

Society of the Muse of the Southwest (SOMOS) is a literary resource center that sponsors programs in support of the Southwest's cultural diversity through the literary

arts. It is designed to foster intergenerational dialogue between the people of Northern New Mexico and works to create a culturally enhanced and enriched community through heightened literacy. This grant is in support of the 20<sup>th</sup> Annual Taos Storytelling Festival.

· Visionaries 8,000

The Visionaries, Inc. is a non-profit organization dedicated to producing and distributing media that inspires individuals and communities to act for positive social change. Since 1995, The Visionaries, Inc. has been producing Visionaries documentary series for public television, highlighting the rarely told stories of nonprofit organizations all around the world working to make a difference in their communities and beyond. This grant is in support of The Visionaries 24<sup>th</sup> season on PBS featuring RETREET.

· WGBH 10,000

WGBH is a public broadcasting station whose mission is to enrich people's lives through programs and services that educate, inspire, and entertain, fostering citizenship and culture, the joy of learning, and the power of diverse perspectives. The WGBH Children's Media and Education Division develops pedagogically sound and age-appropriate children's media that is as entertaining as it is educational. This grant is in support of WGBH's Catalyst Fund, which is used within Children's Media and Education as a discretionary fund.

### Education and Youth

· Associazione "AlpaHa onlus"/Tides Foundation 5,000

The AlpaHa Onlus association works to provide a pathway to a better quality of life and independence for children with intellectual and relational disabilities in Florence, Italy. The Alpaca Project (Progetto Alpaca) engages youth to raise alpaca, create yarn, and manufacture goods made on a weaving machine. This grant will cover the cost of one pregnant alpaca, which Associazione AlpaHa onlus plans to name Virginia.

· Apprentice Learning 15,000

Apprentice Learning provides workplace experience for more than 235 Boston Public School students per year through programs which teach essential workplace skills, expose students to careers in their community, and connect students with professionals in their field of interest. This grant is in support of the Expansion at Dearborn project, which will expand programming and help to sustain their newly formed partnership with the Dearborn school.

· Camden Conference 15,000

The Camden Conference is one of the longest-running foreign affairs citizens' forums in the US, with the mission of fostering informed discourse on world issues. The Camden Conference works to support the development of an informed and engaged public, including high school and university students, who are interested in learning more about global affairs. This grant is in support of Camden Conference in the Classroom, which is a nine-month outreach initiative to bring global awareness to high school classrooms in Maine.

· Camp Ondessonk 10,000

Located in the Shawnee National Forest of Southern Illinois, Camp Ondessonk has provided youth with outdoor education programs since 1959. Camp Ondessonk's programs encourage participants to cultivate self-confidence and self-esteem, grow spiritually, and develop social skills and values. This grant is in support of scholarship funding for school students attending Camp Ondessonk Outdoor Education programs.

· Cape Cod Academy 5,000

Cape Cod Academy is a college preparatory day school, servicing grades Kindergarten through twelve. Its mission is to foster a lifelong drive to grow and learn and make a difference in the world. CCA places an emphasis upon experiential learning and the facilitation of positive relationships among students and their faculty. This grant is for general operating support, with a focus upon supporting CCA's financial assistance program.

· Cape Cod Lighthouse Charter School 2,500

The Cape Cod Lighthouse Charter School is a regional Commonwealth charter school serving all of Cape Cod, for students in grades six through eight. Aided by its small average class size, CCLCS fosters academic achievement and intellectual development through experiential, interdisciplinary learning. Whenever possible, students at CCLCS learn through exploration and discovery in order to see the practical applications of classroom material. This grant is in support of Art Spark, an after-school arts enrichment program.

· Chapel Hill-Chauncy Hall School 15,000

Chapel Hill-Chauncy Hall School is a college preparatory day and boarding school located in Waltham, MA. With a small yet diverse body of students, CH-CH embraces differences in learning styles and cultures and works to create an academically and socially supportive environment for all of its students. This grant is in support of the Building Creativity Campaign for the Arts.

· Children's Guardian Fund 15,000

Children's Guardian Fund is a non-profit organization that immediately responds to the needs of children who have been removed from abusive or neglectful homes. CGF provides both emergency essentials and ongoing support for the children in their community, resources which would otherwise be unavailable. Each year, CGF provides over 1,200 children with the support and means to achieve a level of normalcy in their lives. This grant is for general operating support.

· Coaching 4 Change 15,000

Coaching 4 Change works to utilize after-school time to support high-need students, schools, and communities. By creating partnerships between school districts, local colleges and universities, local community members, businesses, and governing agencies, Coaching 4 Change expands learning opportunities for youth throughout Boston. This grant is for general operating support.

· Columbia University School of the Arts 10,000

Columbia University is the oldest institution of higher learning in the state of New York, and the fifth oldest in the United States. This grant is in support of the Lucie

Brock-Broido Memorial Fund, established in 2018 in memory of beloved professor Lucie Brock-Broido at the School of Arts. The fund will support an annual teaching fellowship for poetry students.

· **Florida Atlantic University** 5,000

Florida Atlantic University, Dorothy F. Schmidt College of Arts & Letters, the third largest of Florida Atlantic University's ten colleges, serves all of FAU's students by providing humanities, social sciences, and fine arts classes. The mission of the college is to prepare students to engage the challenges of the 21<sup>st</sup> Century and work toward the betterment of the region, nation, and world through research and the critical thinking fostered by creative work. This grant is in support of the FAU Dorothy F. Schmidt College of Arts and Letters Scholarship Fund.

· **Global Campaign for Peace Education -** 5,000

The Global Campaign for Peace Education (GCPE) works to ensure that all education systems throughout the world will educate for a culture of peace. As an initiative of individual educators and education NGOs, this work is conducted through a global network of education associations and task forces, who share about the frameworks and multiplicities of methods and materials that now exist to practice peace education. This grant is in support of the development of country level chapters for the GCPE.

· **Greenwich Academy** 30,000

Greenwich Academy was founded in 1827 and is the oldest all-girls school in Connecticut. GA is a college-preparatory day school for grades Pre-k through Group XII. GA provides a challenging, comprehensive educational experience grounded in a rigorous liberal arts curriculum within an inclusive and diverse community. \$20,000 is in support of funding one qualified GA student with financial need and \$10,000 is in support of the purchase of four 3D printers for GA's Engineering and Design Lab.

· **Hurricane Island Foundation** 20,000

The Hurricane Island Center for Science and Leadership is located in Penobscot Bay, Maine, and is dedicated to integrating science education, applied research, and

leadership development through year-round educational programs and a seasonal, environmentally sustainable, "off-the-grid" island community. \$15,000 is in support of the Portland High School Initiative: Sparking a Love of Science and Developing Science Leaders for the Future and \$5,000 is in support of reducing tuition costs for summer open enrollment programs.

· **Hurricane Island Outward Bound School** **35,000**

Outward Bound has been a leader in providing educational experiences to youth and adults worldwide for over 65 years. A pioneer in wilderness experiential learning, Outward Bound's mission is to promote character development and self-discovery in people of all ages through leadership and teambuilding experiences. \$25,000 is in support of the Pulling Boat Project and \$10,000 is in support of an expanded Staff Training Program.

· **La Esperanza Granada** **10,000**

La Esperanza Granada is a volunteer group in Granada, Nicaragua that helps over 2,000 children in poverty-stricken areas learn and build academic, creative, and computer skills. By providing opportunities for long-term educational advancement and community development, La Esperanza Granada works to empower the people of Nicaraguan villages to improve their current living conditions and build a brighter future. This grant is in support of the Computer Replacement for Learning Centers and Office project.

· **North Bennet Street School** **20,000**

The North Bennet Street School (NBSS) was founded in 1881 as one of Boston's pioneering social service agencies, committed to helping immigrants achieve self-sufficiency through vocational and life skills training. NBSS has evolved over the years as the needs of its community has shifted, and this flexibility has allowed NBSS to remain relevant while committed to its mission of training students for careers in traditional trades, preserving and advancing craft traditions, and promoting greater appreciation of craftsmanship. This grant is in support of the purchase of a new work van for the Carpentry program.

· OLICO Foundation 10,000

OLICO's mission is to change the way that math is taught and understood in South Africa through a sense-making and confidence-building approach which makes math accessible and meaningful to South African school learners. OLICO provides programs and resources that are tried and tested in practice, in collaboration with teachers, tutors, and NGOs, and feeds these learnings back into the national debate. This grant is for general operating support.

· Plummer Youth Promise 5,000

Plummer Youth Promise (formerly The Plummer Home) works to ensure that every young person in eastern Massachusetts has family that is unconditionally committed to nurturing, protecting, and guiding them to successful adulthood. Each year PYP provides programs and services to a diverse group of youth ages birth to 22, nearly 100% of whom live in poverty. PYP is a leader of youth services in eastern Massachusetts and is a trailblazer with respect to finding youth permanent families. This grant is in support of PYP's Evaluating our Effectiveness project.

· PYE Global 20,000

Partners for Youth Empowerment (PYE) is an organization committed to addressing the high levels of anxiety, depression, and hopelessness that youth and young adults experience in America and across the globe. Their mission is to empower teachers, youth workers and other leaders to create supportive, creative communities that change lives, particularly through arts-based experiential programs. This grant is for general operating support.

· REACH Prep 20,000

Founded in 1994, REACH Prep serves underserved Black and Latino students by providing them with funding for some of the country's most outstanding independent schools. REACH works to ensure that each of its scholars develop the self-confidence and skills they need in order to be successful in higher education and beyond. This grant is for general operating support.

· ReSOURCE 32,000

ReSOURCE YouthBuild provides education, job skills training, and career development services to disadvantaged youth in Burlington and Barre Vermont. Its mission is to meet community and individual needs through education and job skills training, environmental stewardship, and economic opportunities. \$22,000 is in support of the unfunded tuition costs for three students attending YouthBuild and \$10,000 is for general operating support.

· **Rockwood Preparatory Academy** **10,000**

Rockwood Preparatory Academy works to provide excellence and justice in education by ensuring that all students in grades K-6 are able to demonstrate strong reading, arithmetic, spelling and writing skills. RPA is an innovative model public elementary school that breaks the myth that racial background and economic status are determinants of a child's ability to reach high levels of academic achievement. This grant is in support of the Rockwood Preparatory Academy Playground Project.

· **Stoneleigh-Burnham School** **12,500**

Stoneleigh-Burnham School, an all-girls 7-12<sup>th</sup> grade school in Greenfield, Massachusetts, fosters the development of an international perspective and the drive to pursue a meaningful life based on honor, respect, and intellectual curiosity in each of its students. With signature debate, International Baccalaureate Diploma, dance, and equestrian programs, Stoneleigh-Burnham works to develop strong female identities in a small and inclusive multi-cultural environment. \$10,000 is in support of the Geissler arts building repairs project and \$2,500 is for general operating support.

· **Thompson Island Outward Bound** **20,000**

Thompson Island Outward Bound Education Center (TIOBEC), a recognized leader in addressing the needs of Boston's underserved youth and preferred partner with Boston Public Schools and educators, provides adventurous and challenging expeditionary programs that inspire character development, compassion, community service, environmental responsibility and academic achievement for early adolescents. This grant is in support of the Connections program, a program for BPS middle-schoolers which works to close both opportunity and achievement gaps through STEM and social-emotional learning.

- University of Washington Botanic Gardens 10,000

The University of Washington Botanic Gardens is a premier center of botanical research, education, and outreach, which works to sustain “ecosystems and the human spirit” through environmental education and outreach. Their educational programs work to provide meaningful experiences to youth which enrich participants’ relationships with the natural world. This grant is in support of the Fiddleheads Forest School, which is an entirely outdoor preschool operated by the University of Washington Botanic Gardens.

### Conservation and Environment

- Californians Against Waste 25,000

As one of the oldest environmental advocacy groups in California and the U.S., Californians Against Waste (CAW) works to reduce waste, conserve resources, and prevent pollution. CAW protects California’s natural environment through the development, promotion, and implementation of waste reduction and recycling programs and policies. Most recently, their California Circular Economy and Plastic Pollution Reduction Campaign seeks to eliminate non-reusable, non-recyclable and non-compostable products and packaging in California. This grant is for general operating support (15,000 Discretionary and 10,000 Jimmie).

- Coral Restoration Foundation 5,000

Coral Restoration Foundation works to restore the Florida Reef Tract, the largest barrier reef in the world. As the most threatened habitat on earth, large-scale action is needed to save these vital sources of hurricane protection, food, and economic income - something CRF has proven to be possible through its solutions-focused work. This grant is in support of Replenishing Boulder Corals in the Florida Keys.

- Deep Dirt Institute/Growing Alternative Resource 15,000

Deep Dirt Institute inspires and educates individuals and communities to live in resilient and regenerative ways. It is a working permaculture farm that teaches people how to “simply live; it takes us beyond sustainability, to resilience and regeneration.” The 4,000+ people who have received services from DDI have gained knowledge, inspiration, work experience and practical tools in order to make positive

changes in their own lives and the lives of their communities. This grant is in support of the Deep Dirt Farm Education and Outreach Project.

· **The Land Conservancy for Southern Chester County** 20,000

The Land Conservancy for Southern Chester County is a non-profit charitable organization based in Chester County, Pennsylvania. Their mission is to ensure the perpetual preservation and stewardship of open space, natural resources, historic sites, and the working of agricultural lands throughout Southern Chester County. This grant is in support of Kennett Township's Community-Based Land Stewardship Program, which works to teach students and adults the fundamentals of land management and protection, emphasizing the interconnectedness of all life.

· **Maine Island Trail Association** 20,000

The Maine Island Trail Association works to "establish a model of thoughtful use and volunteer stewardship for the Maine islands that will assure their conservation in a natural state." The association is made up of members who have formed a community of educated island lovers, committed to the care and protection of the wild islands of Maine. This grant is in support of the new Seasonal Stewardship Associate position, which will provide essential support to MITA's two year-round stewardship managers.

· **The Nature Conservancy of Colorado** 10,000

The mission of the Nature Conservancy is to conserve the lands and waters on which all life depends. The Colorado chapter of the Nature Conservancy, founded in 1965, has protected over one million acres of land and 1,000 miles of river across the state. The organization is committed to improving forest conditions in order to protect nature and safeguard Colorado communities. This grant is in support of the Forest Health and Fire Program.

· **The Nature Conservancy of Maine** 5,000

The Nature Conservancy works throughout Maine and across the globe to create a world where people and nature thrive. The organization works with people and for people, on issues such as river and forest health and ocean cleanliness, and combats climate change through solutions-based initiatives. This grant is for general operating support.

· The Nature Conservancy of Vermont 27,500

The Vermont chapter of the Nature Conservancy was started in 1960 and has since helped protect over 183,000 acres of the state's most ecologically important sites. In addition to acquiring conservation land, the Vermont chapter works to foster conversation and awareness about protecting biological diversity, tackling freshwater issues, forest fragmentation and restoration, and engaging a broader constituency for conservation and climate change. This grant is for general operating support (\$17,500 Discretionary and \$10,000 Jimmie).

· Oregon Environmental Council 20,000

The Oregon Environmental Council works to advance innovative, collaborative and equitable solutions to Oregon's environmental challenges for today and future generations. In the coming years they will continue focus their work on climate protection, clean and plentiful water to support people, fish and wildlife, and toxic-free environments to protect human health, all with a social equity lens. This grant is for general operating support.

· Puget Soundkeeper Alliance 35,000

Puget Soundkeeper has been working for over 30 years to stop pollution and protect the health of Puget Sound's water resources and the communities that rely on them. Puget Soundkeeper's long-term goal is to reverse the decline in Puget Sound water quality via monitoring, enforcement, and policy regulation activities. The organization also strives to increase civic engagement in local water quality issues by engaging with its diverse surrounding communities. This grant is for general operating support (\$25,000 Discretionary and \$10,000 Jimmie).

· reTREET America 30,000

ReTREET redefines disaster relief by leading volunteers in replanting lost community trees, one home at a time. ReTREET offers a hands-on experience for those who wish to volunteer in the wake of disaster, and aim to bring their cause to prominence within the public sphere. \$20,000 is for general operating support and \$10,000 is in

support of NORTHERN CALIFORNIA RETREET, an effort to assist communities affected by the devastating 2018 "Camp Fire."

· Rivers and Birds 15,000

Rivers and Birds is a Taos-based organization that provides experiential environmental education that celebrates the interconnections of life, in the hopes of inspiring individuals to become leaders for Earth stewardship and advocates for conservation of public lands. This grant is in support of Rivers and Birds' Environmental Education for Youth programs, which take place in public schools in Taos County.

· Shelburne Farms 25,000

Shelburne Farms is a nonprofit organization dedicated to educating for a sustainable future. They are located on Abenaki land along Lake Champlain, and their home campus is a 1,4000 acre farm in Shelburne, Vermont. The organization offers learning experiences that inspire youth to make intelligent decisions about how to build a sustainable society, and hopes that all visitors to their farmstead return refreshed and inspired by new ways of knowing and learning. This grant is in support of scholarship funding for educational programs.

· Surfrider Foundation 10,000

Surfrider is an organization dedicated to the protection and enjoyment of the world's ocean, waves and beaches through a powerful activist network. The Surfrider Foundation is the only organization of its kind, mobilizing surfers and other water lovers at the community level to protect, preserve and enhance beach and ocean environments throughout the country. This grant is for general operating support.

· Taos Land Trust 15,000

Taos Land Trust works to empower people to protect the land and traditions they love through education, advocacy, and conservation. TLT seeks to engage under-resourced communities to build connections between social equity, community health and conservation. This grant is for general operating support.

- Upper Saco Valley Land Trust 20,000

The Upper Saco Valley Land Trust (USVLT) serves as the interim fiscal agent and parental organization for the Saco Headwaters Alliance. The Saco Headwaters Alliance works to protect and conserve Maine and New Hampshire's sustainable, abundant and potable ground and surface water within the Saco headwaters watershed, with proactive consideration of climate and development pressures. This grant is in support of the Monitoring the Saco Headwaters Watershed project.

- Water is Life Kenya 20,000

Water is Life Kenya works to improve community access to clean water in drought-prone Southern Kenya. WILK's efforts aid in improving community management of water sources and community income derived from water-related activities. Since 2007, Water is Life Kenya has completed 18 major water projects which have transformed the lives of over 55,000 people and their tens of thousands of livestock. This grant is for general operating support.

- Wild Care, Inc. 5,000

Wild Care is a conservation-based wildlife hospital dedicated to offering free rehabilitative care to ill, injured, and orphaned native wildlife. In addition, Wild Care works to reduce the numbers of animals impacted by human activity through educational outreach and helps protect native Cape Cod species and ecosystems through advocacy and conservation. This grant is for general operating support.

### Health and Human Services

- C-10 Research and Education Foundation 5,000

C-10, located in coastal New Hampshire, fosters the safety of Seabrook Station nuclear power plant. By monitoring, educating, and advocating for the wellbeing of Seabrook, C-10 has focused on environmental and public health since 1991. "C-10" stands for "Citizens within the ten-mile radius" - the emergency planning zone surrounding Seabrook Station and home to approximately 160,000 people who live and work across two states and 23 cities and towns. This grant is for general operating support.

· CARE 25,000

Placing special focus on working alongside women, CARE fights root causes of poverty in some of the poorest communities around the world. CARE works to create a world of hope, tolerance, and social justice, where poverty has been overcome and all people live with dignity and security. This grant is in support of the Strengthening Opportunities for Adolescent Resilience project.

· Collateral Repair Project 15,000

Since 2006 Collateral Repair Project has been providing assistance to displaced victims of violent conflict. The organization was founded to aid Iraqi refugees fleeing their country's violence in the aftermath of the second Gulf War; however, CRP has expanded its support to assist refugees from Syria, Iraq, Somalia, Sudan, and Yemen, as well as Jordanians living in extreme poverty. This grant is for general operating support and Emergency Assistance programming.

· Comprehensive Alcoholism Rehabilitation Programs 20,000

Comprehensive Alcoholism Rehabilitation Programs (CARP) works to break the cycle of hopeless addiction, dependency and resulting homelessness by offering affordable housing recovery programs to homeless and impoverished Palm Beach County residents suffering from alcoholism and addiction. These grants are in support of the building of two 12-Step Homes, one for men and another for women.

· Comprehensive Health and Education Forum International 20,000

Comprehensive Health and Education Forum International (CHEF Int.) is based in Pakistan and was established under the guidance of renowned ophthalmologist Prof. Dr. Mohammad Daud Khan. The organization provides affordable, accessible and sustainable healthcare and education throughout Pakistan with a focus on the needs of persons with disabilities. This grant is in support of the Chaudhry Sajjad Haider (CSH) Memorial Hospital Training Center.

· Cultivating Community 35,000

Cultivating Community is located in Portland, Maine and is focused on creating diverse points of access to healthy, local foods by empowering people of all ages to play multiple roles in creating and restoring a sustainable food system rooted in the community. As many across the globe face climate-fueled immigration and food shortages, Cultivating Community works to educate and equip new American immigrants and food insecure Mainers with the ability to access local, fresh, and seasonal produce. These grants are for general operating support (25,000 Discretionary and 10,000 Jimmie).

· **Cure Rare Disease** **15,000**

Formerly known as Terry's Foundation for Muscular Dystrophy, Cure Rare Disease is dedicated to pioneering the development of effective therapeutics for rare, genetic diseases, primarily Duchenne muscular dystrophy (DMD), a 100% fatal disease that primarily impacts boys. Located in Boston, the organization was founded as an effort to catalyze promising academic research and has continued this work by developing therapeutics based on the individual's genetic profile. This grant is in support of the development of customized therapeutics for rare disease.

· **Epilepsy Foundation of New England** **2,500**

The Epilepsy Foundation of New England supports youth and families affected by epilepsy across New England. Founded in 1983, The Epilepsy Foundation NE helps 100,000 people and their families per year through youth programming, online resources, community education, retreats for adults, scholarships, fundraising for research, and much more. This grant is in support of the Hope Campaign.

· **Family Nurturing Center of Massachusetts, Inc.** **30,000**

Family Nurturing Center works to build nurturing communities where children are cherished, families are supported, and healthy human development is promoted by all. FNC offers family support and education programs to strengthen families and prevent child abuse, primarily through their Nurturing Parenting Programs and community-based Family Support Networks. This grant is for general operating support as they open their Family and Training Center in Dorchester.

· **The Food Project** **20,000**

The Food Project brings a diverse collection of youth and adults together to build and learn about sustainable agriculture. They produce over a quarter-million pounds of food a year, without the use of chemical fertilizers or pesticides, and donate most of it to hunger relief organizations. The remaining food is sold to Community Supported Agriculture (CSA). This grant is in support of Lynn Grows, a resident-led and youth-empowered community food system initiative in the city of Lynn.

· **Global Fund for Women** 10,000

The Global Fund for Women envisions a world where every woman is strong, safe, powerful, and heard. Using its strong and extensive networks to find, fund and amplify the courageous work of women challenging the status quo, GFW is a global champion for the human rights of women and girls. This grant is in support of Supporting Domestic Workers' Rights.

· **Green Cities Fund/Caravan Support Project** 10,000

The Caravan Support Project is a volunteer-led group that provides immediate humanitarian aid and health resources to asylum seekers and refugees from Tijuana, Mexico. This group works to fill the gaps left by large agencies and government services. Green Cities Fund, a nonprofit that supports grassroots groups, is the fiscal sponsor of this project. This grant is for general operating support.

· **Hanley Foundation** 15,000

Hanley Foundation works to combat substance abuse disorders in the organization's local communities of West Palm Beach and Vero Beach. By supporting addiction treatment scholarships, family support and community prevention, and education programs, the Henley Foundation strives to make a lasting impact on the addiction epidemic by helping those with a demonstrated need gain access to quality substance abuse treatment. This grant is in support of the Lifesaver Scholarship Program.

· **Healing Abuse Working for Change** 5,000

Healing Abuse Working for Change sparks social change by taking action against both personal and societal patterns of violence and oppression. The organization's services are provided to over 2,7000 clients annually in a way that is attentive to cultural, linguistic, age, gender, sexual orientation and related differences, and is a leader in

the field because of its attention to cultural competency, its tested trauma recovery initiatives, and its emphasis on empowerment. This grant is in support of HAWC's Children's Services Program, which will include the new Creative Coping program.

· **Healthy Peninsula** **10,000**

Healthy Peninsula is a grassroots community health organization that uses collective impact strategies to improve the health of nine Blue Hill peninsula, Deer Isle and Stonington communities. This grant is in support of the Healthy Blue Hill Town Park Playground, which is a partnership with the Town of Blue Hill to improve and create a multigenerational playground for visitors of all ages and abilities.

· **HEART of Taos** **5,000**

HEART of Taos is a non-profit organization committed to empowering Taos women and their families who are experiencing homelessness. Focusing on self-sufficiency and long-term stabilization through individualized case management and direct financial support, HEART supports women and families to plan for their own long-term stabilization. This grant is for general operating support.

· **Hesperian Health Guides** **15,000**

Hesperian works to provide educational tools and information that help all people take greater control over their health and work to eliminate the underlying causes of poor health. The organization is world-renown for creating simply-written and heavily-illustrated health guides accessible to those with minimal formal education to diagnose and treat, and prevent common and long-term health concerns. This grant is in support of the improvement and launching of the Spanish language Family Planning app.

· **Independent International Legal Advocates** **10,000**

Independent International Legal Advocates (IILA) works to enhance the capabilities of lawmakers working for the Governments of small and developing States to strategically manage, negotiate and apply international law. IILA focuses primarily upon the protection of human rights and the environment, and the reduction of poverty and inequality. This grant is for general operating support.

· The Intervale Center 15,000

The Intervale Center, located in Burlington Vermont, is a 30 year old farm and food organization with a mission to strengthen community food systems. The Center delivers agricultural and conservation programming across the state and manages a model 340-acre campus in the city of Burlington, home to commercial organic farms, community gardens, hiking trails conservation areas, and a host of Intervale Center-run programs and enterprises. This grant is for general operating support.

· John Graham Housing and Services 25,000

John Graham Housing and Services, located in Vergennes, Vermont, has provided shelter and housing to homeless individuals and families for 39 years. Having cultivated a community of care in their five buildings and scattered sites, John Gram Housing and Services is a safe haven for each individual and family it serves. In 2019 John Gram impacted the lives of 575 homeless people through providing shelter and/or services such as food, transportation, and outreach. This grant is in support of Housing and Community Based Recovery Services for Homeless Households.

· LifeFlight Foundation 10,000

Unique to Maine, LifeFlight brings specialty hospital care directly to the patient—in the woods, on an island, roadway or in a community hospital. In its twenty years of operation, LifeFlight has safely transported over 24,000 patients, achieving a remarkable safety record as well as much international and national recognition for their air medicine quality, innovation, and leadership. This grant is for general operating support.

· Mass General/Ragon Institute 20,000

The Ragon Institute was established in 2009 as a joint venture of Massachusetts General Hospital, Massachusetts Institute of Technology and Harvard University, with the mission to harness the immune system to prevent and cure human disease. The initial goal of the Institute is to develop an effective HIV vaccine, and to do so by bringing together scientists and engineers from diverse disciplines. This grant is in support of the FRESH (Females Rising through Education, Support and Health) Internship Program, a clinical research study conducted by investigators from the Ragon Institute and South African collaborators.

· Mt. Carmel Veterans Service Center 15,000

Mt. Carmel supports the health and wellbeing of service members and their families through areas such as employment, behavioral health, financial coaching, military benefits, housing assistance, and legal and educational counseling. Mt. Carmel is uniquely positioned to fill the gaps in veteran services that have been left from government cutbacks, and works to do so with 33 on-site partnering organizations and over 70 community partners. This grant is for general operating support.

· The Multifaith Alliance for Syrian Refugees 10,000

The Multifaith Alliance for Syrian Refugees (MFA) is the nation's leading interfaith response to the Syrian Refugee Crisis. MFA is comprised of 101 participating organizations, and works to mobilize the interfaith response to crisis, create awareness of the facts, needs, and opportunities for positive action, and advocate for sensible and humane refugee policies, among other initiatives. This grant is MFA's Women's Relief Program.

· Our House Café 10,000

Our House Café (Purple Tree Café) provides competitive integrated employment for people with disabilities, a community which experiences high levels of underemployment and unemployment. Our House Café also strives to create an inclusive, accessible environment through art, music and community and is working to establish a brick-and-mortar café where they can grow beyond their current temporary carts and tables. This grant is for general operating support.

· Piper's Angels Foundation 5,000

Piper's Angels Foundation supports and improves the lives of families in the cystic fibrosis community by raising awareness through education, offering life-expanding activities, providing urgent financial support, and funding critical research. This grant is in support of Piper's Angels Foundation programs.

· Presbyterian Hospital Foundation 20,000

Novant Health Huntersville Medical Center (NHHMC) provides emergency services, outpatient services, acute care beds and maternity care to the residents of north Mecklenburg County and surrounding communities. In 2007 NHHMC launched a mobile cruiser unit, which helps to eliminate health disparities and increase access to care in Mecklenburg County by delivering health care services to public health priority areas where underserved children live, worship, and attend school. This grant is in support of the Novant Health Community Cruiser Renovation.

· Shanta Foundation 10,000

The Shanta Foundation, founded in 2006, partners with underserved rural villages in Myanmar to develop healthy and thriving communities by providing a path out of poverty. The foundation has partnered with 29 villages to sustainably improve the quality of life of more than 10,000 individuals over the course of thirteen years. This grant is in support of the Village of Aung Lei Sponsorship.

· Vermont Families in Transition 10,000

Vermont Families in Transition is a non-profit organization working to facilitate safe and healthy connections for families in conflict. Among VFIT's programs are Family Mediation programs, Domestic Violence Prevention classes, and Supervised Visitation, their primary program which works to ensure that parent-child contact can be provided for children whose parents have been ordered to have Supervised Visitation with their children. This grant is for general operating support.

· Village Health Works 10,000

Village Health Works is a global health organization based in rural Burundi, the most impoverished country on Earth, where access to health care and education is extremely limited. VHW works to provide quality compassionate healthcare in a dignified environment, while also addressing the root causes of illness, poverty, violence, and neglect. This grant is in support of the Kigutu Preschool Feeding Program, which provides nutritious food and health checkups to preschool children in Kigutu, Burundi.
