

# Virginia Wellington Cabot Foundation 2021 Annual Report

---

“The mission of the Virginia Wellington Cabot Foundation is to benefit mankind through the practice of responsible philanthropy and to inspire, educate, and unify the descendants of Tom and Virginia Cabot in a worthy cause.” The following is a list of those grants family members have sponsored in 2021.

<b>Culture and Humanities</b>	<b>\$ 170,000</b>
<b>Education and Youth</b>	<b>\$ 474,500</b>
<b>Conservation and Environment</b>	<b>\$425,436</b>
<b>Health and Human Services</b>	<b>\$ 699,286</b>
<b>Matching Grants</b>	<b>\$48,130</b>
<b>Total Given</b>	<b>\$1,827,352</b>

## Culture and Humanities

• Kartemquin Educational Films 25,000

Having embraced a vision of “democracy through documentary,” Kartemquin Films is a collaborative community which empowers documentary makers who create stories that have real-world consequences and foster a more engaged, just society. This grant is in support of the program, which provides guidance and development for young documentary filmmakers of color in Chicago.

• Society of the Muse of the Southwest 5,000

Society of the Muse of the Southwest (SOMOS) is an organization that sponsors programs in support of the Southwest’s cultural diversity through the literary arts, both written and spoken, by providing place and resources for writers, readers and learners. It is designed to foster intergenerational dialogue between the people of Northern New Mexico. This grant is in support of the 22<sup>nd</sup> Annual Taos Storytelling Festival.

• Gateway Arts 25,000

Located in Brookline, MA, Gateway Arts is an organization that gives adults with disabilities a studio space to create art. Along with this, Gateway Arts provides individualized services and supports meaningful lives and careers in art. This grant is for general operating support.

• Intrarte/Koufonisi Music Festival 25,000

The Koufonisia Music Festival takes place in Ano Koufonisi, a small Greek Island. The festival was created to connect to the past, as well as to understand the rich history and culture of the region, all through the medium of music. This grant is in support of the Koufonisi Classical Music Festival and general operating support.

• West Palm Beach Library Foundation 10,000

West Palm Beach Library Foundation is an independent library that was formed to support the Mandel Public Library of West Palm Beach. The Mandel Public library provides free quality programs, services, and resources that enrich and strengthen the surrounding community. This grant is for general operating support.

• **National Film Preserve - Telluride Film Festival** 20,000

National Film Preserve is a nonprofit whose mission is to create empathy and cultural understanding through creating cinema literacy. The Telluride Film Festival occurs annually in Telluride, Colorado. The festival is an international educational event which celebrates the art of films. This grant is for the film festival and for the purchase and restoration of a new theater.

• **Opera Maine** 10,000

Based in Portland, Opera Maine is a professional opera company dedicated to the production of inspirational and creative performances. In addition, Opera Maine provides the Studio Artist Program, an educational program for youth in public schools. This fosters community building through the arts and engages the audience and public in opera and the arts. This grant is for general operating support.

• **University of Washington Botanic Gardens** 5,000

The University of Washington Botanic Gardens are located in Seattle, Washington, and organize many programs for the surrounding community. Their mission is to sustain natural and managed ecosystems through plant research, display, and education. This grant is for the Fiddlehead Forest School, an outdoor preschool program.

• **Boston Lyric Opera** 25,000

Boston Lyric Opera is a non-profit that puts on many shows for the Boston community. Their mission is to build curiosity, enthusiasm, and support for the opera. They do this through creating musically and theatrically compelling productions, events, and educational resources for the community. This grant is for support for educational and community engagement programming.

• **Friends of Swan's Island Lighthouse** 10,000

The lighthouse on Swan's Island, Maine is an iconic landmark to the island, symbolizing the long maritime history. Made up of volunteers, FOSIL aims to provide financial support to the Town of Swan's Island for the restoration and maintenance of the lighthouse. This grant is for an endowment.

• Movies Making A Difference

10,000

Based in West Palm Beach, Florida, Movies Making a Difference is an organization dedicated to educating people about the crisis of human trafficking in the United States. MMAD makes socially conscious feature films and directly aids the survivors upon whom the films shed light. This grant is for general operating support.

## Education and Youth

• Apprentice Learning 15,000

Apprentice Learning is an organization that helps to expose kids to healthy and positive work environments, as well as provides a meaningful experience of education and the working world. This grant will support a program that teaches young teens the skills they need to get jobs.

• Camp Ondessonk 10,000

Located in the Shawnee National Forest of Southern Illinois, Camp Ondessonk is a program dedicated to providing youth outdoor education and hands on experience in nature. Camp Ondessonk offers many different programs created for a range of ages throughout the year, and has a wide variety of exciting activities for the students to participate in. This grant supports the scholarship fund.

• Cape Cod Academy 5,000

Cape Cod Academy is a nonprofit independent and coeducational college preparatory day school, servicing grades Kindergarten through 12. Its mission is to create a safe, value-centered community, which fosters academic excellence and the development of life skills through curricular and extracurricular activities. Their mission is centered on the four, long-standing pillars of: Honesty, Respect, Scholarship, and Compassion. This grant is in support of the Summer Support program.

• Cape Cod Lighthouse Charter School 2,500

The Cape Cod Lighthouse Charter School is a regional Commonwealth charter school serving sixth, seventh, and eighth-graders from Cape Cod. With an average class size of 19 students, Cape Cod Lighthouse Charter School fosters academic achievement and intellectual development through experiential, interdisciplinary learning. Students at CCLCS learn through a project-based curriculum which values exploration and discovery in order to see the practical applications of classroom material. This grant is in support of Art Spark, an after-school arts enrichment program.

• Choose 180 10,000

Choose 180 is an organization in the Seattle area that empowers youth to choose positive change in their lives, with an overall goal of disrupting the school to prison pipeline. This organization uses restorative practices, providing programs that help young people who are at risk of criminal engagement to choose a different direction. This grant is to support the creation of the Director of Community Engagement and Systems Innovation position, technical assistance, and policy development.

• Florida Atlantic University 5,000

Florida Atlantic University, Dorothy F. Schmidt College of Arts & Letters, the third largest of Florida Atlantic University's ten colleges, serves all of FAU's students by providing humanities, social sciences, and fine arts classes, which fulfill the Intellectual Foundations (core) classes required for all degrees. The mission of the college is to prepare students to engage the challenges of the 21<sup>st</sup> Century and work toward the betterment of the region, nation, and world through research and the critical thinking fostered by creative work. This grant is in support of the Dorothy F. Schmidt College of Arts and Letters' Student Scholarship Fund.

• A Child's Notebook 17,000

Located in Seattle, WA, A Child's Notebook is an organization dedicated to creating better education for children living in largely rural communities in Laos. Their mission is to provide safe and hygienic learning conditions, as well as quality education for the children. This grant is for general operating support, scholarship funding, and after school support programs.

• Jackson Memorial Library 10,000

Jackson Memorial Library is a private library that serves the public at no charge, in St. George's, ME. Their mission is to provide information, material, and programs to families and people of all ages. They aim to educate and enrich the lives of the surrounding community through both personal enjoyment materials and teaching programs. This grant is for the running of a pre-kindergarten program.

• Greenwich Academy 35,000

Greenwich Academy was founded in 1827 and is the oldest all-girls school in Connecticut. GA is a college-preparatory day school for grades Pre-k through Group XII. GA provides a challenging, comprehensive educational experience grounded in a rigorous liberal arts curriculum within an inclusive and diverse community. This grant goes towards scholarship funds for students who want to attend GA but do not have the sufficient means.

• Hawthorne Valley Association 10,000

Hawthorne Valley Association, founded in 1971 in Columbia County, New York, is a nonprofit organization that aims to reintegrate agriculture, education, and the arts into the lives of children, as well as society as a whole. Hawthorne Valley primarily serves children from low-income families through many different educational and experiential programs. This grant is in support of the scholarship fund for the farm and arts summer camp program.

• Llewellyn Elementary PTA 10,000

Llewellyn Elementary PTA is a nonprofit based in Portland, Oregon. This group organizes and manages the funding of school wide events, sustains parent involvement, and promotes supplemental funding and enrichment programs. This grant is for the support of the Artist in Resident program.

• Make A Wish Foundation - VT 10,000

The Make-A-Wish Foundation - Vermont is an organization whose mission is to grant life-changing wishes to children of Vermont who are battling life-threatening illnesses. These wishes bring hope, strength, and joy to the healing process of these children. This grant is for general operating support.

• Readiness to Learn/School Farms Program 3,000

Located in South Whidbey, Washington, the School Farms Program aims to nurture the relationship between the children in the school district to the Earth around them. Their mission is to educate youth and cultivate community through sustainable food farming. The Readiness to Learn program involves the collaboration of families and schools. This grant is for general operating support.

• Hurricane Island Outward Bound School 50,000

Outward Bound, a pioneer in wilderness experiential learning, has been a leader in providing educational experiences to youth and adults worldwide for over 65 years. The organization's mission is to promote character development and self-discovery in people of all ages through leadership and team building experiences. This grant is for general operating support and staff support funding.

• Hurricane Island Foundation 35,000

The Hurricane Island Foundation is an organization with a goal to promote science education, applied research, and leadership development through educational programs with an environmentally sustainable community. The Hurricane Island Foundation works to educate youth about science, sustainability, and leadership through interactive programs and experiential learning. This grant is for the replacement of an electric utility vehicle as well as the construction of a wet lab that allows for the study of flowing seawater.

• WGBH Educational Foundation 10,000

Based in Boston, MA, WGBH Educational Foundation is dedicated to the children's education through a multitude of programs. Their mission is to enrich people's lives through programs and services that educate, inspire, and entertain, fostering citizenship and culture, the joy of learning, and the power of diverse perspectives. This grant is for sessions of a Peer Exchange mini-series, which focuses on equity and anti-racism.

• Woodlawn School - 40,000

The Woodlawn School is located in Mooresville, North Carolina, and is an independent school for students K-12. They believe in educating children through hands-on, integrated, project-based, experiential learning. Their mission is to produce independent, life-long learners who are responsible, contributing members of a diverse global society. This grant is for funding a Project Based Training Workshop for teachers and scholarship fund support.

• Plummer Youth Promise 5,000

The Plummer Youth Promise is an organization that helps children in the foster care system to find a safe, stable, and permanent home. Serving over 289 children in FY2018, Plummer Youth Promise aims to give every young person a family who is unconditionally committed to nurture, protection, and guidance, so that the children will have a successful adulthood. This grant is for the support of direct service and training.

• ReSOURCE YouthBuild 33,000

ReSOURCE YouthBuild empowers individuals and strengthens communities through workforce development, poverty relief, and environmental stewardship. Focusing on men and women who have dropped out of high school, ReSOURCE YouthBuild trains students in construction and energy efficiency in order to prepare them for employment in the construction industry. This grant is for general operating support.

• Angeles Para Honduras 19,000

Angeles Para Honduras is based in North Hero, Vermont. It is an organization dedicated to helping disadvantaged Honduran children living in poverty. Through access to high quality education, APH can empower these youths to give them better control of their futures. This grant is for the materials for the construction of a new trade school and orphanage for the school children.

• Charlottesville Ballet 10,000

Charlottesville Ballet is a professional ballet company, dance academy, and nonprofit. Their mission is to elevate the art of dance through wellness, performance, education, and community outreach. They strive to provide safe and effective training programs that encourage physical and mental health. This grant is in support of the Movement for Parkinson's community engagement program.

• First Nations Development Institute 10,000

First Nations is a nonprofit Native American organization based in Colorado. Their mission is to strengthen American Indian economies and support healthy Native communities. They help with infrastructure, community building, and educational programs. This grant is for a Native American language immersion program for Native youth.

• **Society for Classical Studies** 10,000

Society for Classical Studies is an organization dedicated to advancing the knowledge, understanding, and appreciation of the Greek and Roman world through education programs and public engagement. The Classics Everywhere initiative is a newly launched program meant to support individuals and institutions running public-facing performances, exhibitions, reading groups, and other events that engage communities. This grant is in support of the Ancient Worlds, Modern Communities initiative.

• **Thompson Island Outward Bound** 20,000

Thompson Island Outward Bound is an organization based in Boston dedicated to educating youth about the environment, while using the natural world as a classroom. One program is called Thompson Island's Connections, which, in partnership with Boston Public Schools, provides a multi-year progression of STEM and social-emotional learning for middle schoolers. This grant is in support of the Green Ambassadors program.

• **North Bennet Street School** 25,000

North Bennet Street School, located in Boston, MA, is an organization that aims to assist immigrants in vocational and life-skills training. Their mission is to help the students achieve self-sufficiency in traditional trades that use hand skills in concert with evolving technology, to preserve and advance craft traditions and promote appreciation for craftsmanship. This grant is for general operating support.

• **RISE Academy** 15,000

RISE Academy is a school based in Boston that is dedicated to changing the educational path of low-income, urban, African-American and Latino students. This organization runs a multi-week summer program that allows students to grow academically, socially, and emotionally. This grant is for general operating support.

• **University of Vermont Foundation** 25,000

Within the University of Vermont, there is the Rubenstein School of Environment and Natural Resources, a learning community of environmental studies students. Their mission is to understand, nurture, and enrich the interdependence of people with healthy ecological systems. This grant is for scholarship support.

• **Waypoint Adventure**

**15,000**

Waypoint Adventure is based in New England, and provides adventure education programs for people with disabilities. They strive to challenge their participants with programs like kayaking, cycling, rock climbing, and more, allowing them to emerge from the adventures with hope, confidence, and a sense of belonging. This grant is for general operating support.

• **Woodstock Elementary PTA**

**10,000**

Located in Portland, Oregon, Woodstock Elementary School's Parent Teacher Association fundraises and plans student events and helps supply teachers with much-needed tools for education. Their mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. This grant is for supporting the social-emotional wellbeing and academic success of the children.

## Conservation and Environment

• The Nature Conservancy of Vermont 30,000

The Vermont chapter of the Nature Conservancy was started in 1960 and has since helped protect more than 183,000 acres of the state's most ecologically important areas. In addition to acquiring conservation land, the Vermont chapter works to foster conservation and awareness of the need to protect biological diversity. This grant is for general operating support.

• Public Employees for Environmental Responsibility 30,000

Public Employees for Environmental Responsibility (PEER) is an environmental protection organization, whose mission is to protect public employees who protect our environment. This allows agencies to confront the message itself, and allows employees to speak out about issues concerning natural resource management without repercussions. This grant will go towards protecting wetlands; helping firefighters keep toxic chemicals from contaminating water, raising awareness for risks of pesticides, and advancing regenerative agriculture in Long Island.

• Borderlands Restoration Network 10,000

Borderlands Restoration Network is a non-profit based in Patagonia that focuses on the restoration of the area encompassing Arizona, Sonora, and the Indigenous Nations on both sides of the US/Mexico border. Their mission is to restore both the environment and the rural communities surrounding it. They do this through restoring watersheds, improving ecosystems, training community members, and more. This grant is in support of the Women Grow Food program.

• Colorado Fourteeners 5,000

Colorado Fourteeners is an organization dedicated to the preservation of Colorado's many 14,000 ft peaks. They do this through public education, trail creation, as well as active stewardship, in an effort to maintain the natural integrity of the peaks. This grant is for general operating support.

• Puget Soundkeeper Alliance 5,000

Puget Soundkeeper has been working for over 30 years to stop pollution and protect the health of Puget Sound's water resources and the communities that rely on them. One of the organization's three main programs, The Pollution Prevention Program, uses outreach messages, hands-on educational experiences and technical assistance through an award-winning certification program to meet the challenges facing Puget Sound head-on. This grant is for general operating support.

• Saco Headwaters Alliance 15,000

Saco Headwaters Alliance is an organization whose mission is to protect and preserve the Saco Valley watershed, which covers much of northern New Hampshire and parts of western Maine. SHA helps to keep drinking water clean, provide habitat protection, as well as build the connection between the economy, natural environment, and the surrounding communities. This grant is for general operating support.

• Wild Care, Inc. 5,000

Wild Care is a conservation-based wildlife hospital dedicated to offering free rehabilitative care to ill, injured, and orphaned native wildlife, and works to reduce the numbers of animals impacted by human activity through educational outreach. The organization has accepted over 25,000 wild creatures since its founding and receives 800 to 1,700 wild animals per year for treatment. This grant is for general operating support.

• Nature Conservancy of Colorado 25,000

The Nature Conservancy of Colorado's mission is to protect and preserve the land and bodies of water that all life forms depend on. Along with providing ecosystem services, the Nature Conservancy seeks to provide nature a voice when policy decisions are made. This grant is for the support of the forest restoration program.

• Coral Restoration Foundation 10,000

Based in the Florida Keys, Coral Restoration Foundation aims to protect and restore the Florida Reef Tract, which runs along the coastline. They develop and implement methods to restore the reef, as well as educate others on how to help. This grant is for the restoration of the coral commonly known as Pillar Coral.

• **Oregon Environmental Council** 10,000

The Oregon Environmental Council is dedicated to climate protection, safeguarding communities and economy, providing clean and plentiful water to people, fish, and wildlife, and an overall toxic-free environment, all in an effort to protect human health and the environment. This grant is for the Toxic Air Pollution Reduction Project.

• **Indigenous Environmental Network** 10,000

Indigenous Environmental Network is a nonprofit focused on obtaining environmental and economic justice for Indigenous communities in the United States. Through strengthening, maintaining, and respecting Indigenous teachings and natural laws, IEN is able to protect the Earth and people from exploitation. This grant is in support of the Mutual Aid Fund.

• **Keep America Beautiful, Inc.** 35,000

Keep America Beautiful is an organization that aims to protect our environment through community education, volunteer programs, and more. Their mission is to beautify communities all across the United States and create clean, green environments in places that are underserved or impacted by natural disasters. This grant is in support of the Miami Valley ReTREET program.

• **LA Compost** 30,000

LA Compost, based in Los Angeles, California, has a goal of fostering connections between each other and the environment through community based composting. They achieve this by way of the creation of local spaces meant to provide access to composting, regenerative practices, and community empowerment. This grant is for general operating support.

• **Nature Conservancy of Maine** 10,000

The Nature Conservancy of Maine is an organization whose mission is to preserve the land and waters, both marine and fresh, of Maine. They achieve this through community engagement and working with different levels of government, collaborating to find solutions for climate issues. This grant is in support of the freshwater protection program.

• Rivers and Birds 5,000

Based in Taos County, New Mexico, Rivers and Birds is an organization that is dedicated to the preservation of Southwestern ecosystems. Along with organizing environmental protection campaigns, Rivers and Birds leads local public school students on environmental learning trips to teach stewardship and science. This grant is for gaining environmental protection on 43,000 acres across New Mexico.

• The European Nature Trust 20,000

The European Nature Trust (TENT) is an organization located in London, United Kingdom. They donate grants to conservation and wildlife foundations throughout Europe (and now Central America), and organize events and other activities in support of these conservation projects. This grant is for the production of a documentary series about Belize's nature and environment.

• C10 Research and Education Foundation 11,436

Based in Amesbury, MA, C10 Research and Education Foundation works to protect the public health and environment around a nuclear plant in New Hampshire. They achieve this through real-time radiological monitoring networks and watchdogging of the nuclear power plant in the coastal area of Seabrook Station. This grant is for the implementation of solar and battery powered radiological monitoring networks.

• Intervale Center 25,000

Intervale Center is an organization located in Burlington, Vermont focused on farming and conservation. Their mission is to strengthen community food systems by enhancing farm viability, promoting sustainable land use, and engaging people in the food system. This grant is for general operating support.

• Land Conservancy for Southern Chester County 25,000

The Land Conservancy for Southern Chester County supports environmental protection and education in PA. Through educational programs and conservation support initiatives, TLCSCC protects open space and encourages stewardship of the natural land and agriculture. This grant is for an environmental education program for kids from pre-K through 5th grade.

• Lincoln Land Conservation Trust 9,000

Located in Lincoln, MA, Lincoln Land Conservation Trust works to protect natural land and encourage responsible development. They seek to connect the community to the

land through membership, volunteer opportunities, and educational events and programming. This grant is for a grass-seeding project in Chapman Pasture.

· Middlebury Area Land Trust 25,000

The Middlebury Area Land Trust is an organization that aims to preserve and protect the environment in Middlebury, Vermont, and surrounding towns. Their mission is to actively conserve land, monitor and care for protected land, build and maintain the recreational trail network, and engage the community through environmental education. This grant is for the creation of a new Education Manager position.

· The River Project 20,000

The River Project is a nonprofit based in Los Angeles County, California dedicated to the conservation of ecosystems. Their mission is to create a regenerative, equitable, just, and climate resilient Los Angeles. They achieve this through working with local governments and communities to create programming and educating. This grant is for general operating support.

· Rocky Mountain Elk Foundation 20,000

Rocky Mountain Elk Foundation is a nationwide organization for wildlife conservation. Advocating for science-based wildlife management, RMEF aims to conserve, restore, and enhance natural habitats. Additionally, they have goals to improve public access, return elk to their native ranges, and educate communities on wildlife and habitat conservation. This grant is for the Chronic Wasting Disease Applied Research Program.

· Taos Land Trust 15,000

Taos Land Trust is based in Taos, New Mexico, and is dedicated to the conservation of vital ecosystems and habitats. Their mission is to empower people and protect the land and traditions through education, advocacy, and conservation. TLT aims to protect traditional agricultural land from development, climate change, and other threats. This grant is for the Emerging Farmers and Stewards Program.

· Upper Saco Valley Land Trust 20,000

The Upper Saco Valley Land Trust is an organization located in Conway, New Hampshire that aims to protect the natural land of New Hampshire and part of Maine for community benefit. USVLT's mission is to preserve ecological systems and cultural values, while providing for the well-being of land for farming, forestry, recreation, and education. This grant is for a community forest fund, a capital reserve fund, and an agricultural conservation fund.

## Health and Human Services

• Commonweal 4,000

Commonweal was founded in 1976 and is a support organization for the Whidbey community. Through social and emotional support programs, Commonweal aims to create a nurturing, supportive place where anyone impacted by illness, a life-changing condition, or grief and loss can heal. This grant is for general support of the Healing Circles program.

• Charter House Coalition 10,000

Charter House Coalition, based in Middlebury, VT, is a non-profit that operates a homeless shelter, hot food programs, and more. This organization aims to provide meals to those who are food insecure, housing for those who need shelter, and a sense of community and ability for personal growth. This grant is for general operating support.

• Common Ground Collective 10,000

Common Ground Collective is an organization based in Maui, HI. This non-profit is dedicated to improving food security and economic opportunities to the people of Maui. This is done through building new food infrastructures and networks in the community, and providing education and food distribution to the public. This grant is for general operating support.

Habitat for Humanity Addison County 10,000

Habitat for Humanity is dedicated to constructing affordable, energy efficient homes for low income families. Composed entirely of volunteers, the Addison County, VT branch provides deserving families with the opportunity to own a comfortable, safe home. This grant is in support of the construction of more homes.

Tuba City Humane Society 35,000

Tuba City Humane Society is an organization working in the Navajo Reservation in Arizona. Their mission is to help stray dogs and cats with an assortment of veterinary care as well as finding homes for them. Made up entirely of volunteers, they provide care to the large number of stray animals around the reservation. This grant is for the rescue, rehabilitation, and veterinary care of the animals.

**Dharamsala Animal Rescue**

**10,000**

Dharamsala Animal Rescue is based in Rhode Island, but operates in Dharamsala, India. This organization aims to provide a humane environment for stray dogs and other animals on the streets. They also have programs like spay/neutering, rabies vaccinations, rescue and adoption, and community education. This grant is for general operating support.

**Hesperian Health Guides**

**25,000**

Hesperian Health Guides is an organization that provides health services to underserved communities around the world. Their mission is to equip all people with information and tools that empower them to take control of their health, and eliminate underlying causes of poor health. This grant is to create and test a safe pregnancy and childbirth app, and support healthy mothers and babies in Latin America.

**Our House Cafe DBA Purple Tree Cafe**

**10,000**

Based in Davis, California, Purple Tree Cafe provides employment opportunities for those with disabilities. Their goal is to promote an inclusive community of all people, which they work towards through events featuring music and art at the vegan bakery. This grant is for general operating support.

**Sail to Prevail**

**15,000**

Sail To Prevail is located in Newport, Rhode Island, and creates opportunities for children and adults with disabilities to overcome adversity through therapeutic sailing programs. These summer programs help to build self-confidence, teamwork, and leadership. This grant is in support of the Adaptive Sailing Program.

**ZanaAfrica Foundation**

**30,000**

ZanaAfrica Foundation is a Kenyan organization that helps women and girls learn reproductive health. Their goal is to equip girls with the tools they need to safely navigate puberty and give access to reproductive education and products, ultimately striving for empowerment and safety. This grant is for general operating support.

· **Comprehensive Alcoholism Rehabilitation Programs** **50,000**

CARP works to break the cycle of hopeless addiction, dependency and resulting homelessness by offering affordable housing recovery programs to homeless and indigent Palm Beach County residents suffering from alcoholism and addiction. These grants are for general operating support.

· **Collateral Repair Project** **22,286**

The Collateral Repair Project works in Amman, Jordan to provide assistance to people who were displaced due to ongoing conflict. This organization helps refugees to heal both physically and emotionally, through community, skill-building, and health and wellness programs. This grant is for an in-person tutoring program and general operating support.

· **Independent International Legal Advocates** **10,000**

Independent International Legal Advocates (IILA) is an organization that is dedicated to changing who gets to make and use international law. They work alongside legal teams from disadvantaged states around the world to help them manage multiple issues, ranging from environmental policy to human rights issues. This grant is for general operating support.

**Water is Life Kenya** **25,000**

Water is Life Kenya is based out of Southern Kenya, a drought prone area. The aim is to improve community access to clean water, improve community management of water sources, and improve community income derived from water-related activities. Water is Life Kenya, since starting in 2007, has completed 18 clean water projects, trained 34 livestock farmer groups, given over 60 microloans, and transformed the lives of over 55,000 people. This grant is for construction of a water pump and generator.

**Whidbey Island Nourishes** **3,000**

Whidbey Island Nourishes (WIN) is a nonprofit organization dedicated to nourishing youth on South Whidbey Island through providing no-cost, ready-to-eat healthy meals. WIN's programs help ensure that young people have access to the nutrition that they need, which supports optimal development and academic achievement. This grant is for general operating support.

• **Family Nurturing Center** **30,000**

The Family Nurturing Center helps families throughout Boston and the Commonwealth to create a nurturing and supportive environment for their children. Through parenting programs and support networks, the FNC is able to create communities that promote healthy human development. This grant is for general operating support.

• **Friendship Bridge** **20,000**

Friendship Bridge is an organization dedicated to helping Guatemalan women, who are primarily indigenous Maya and live in areas with high poverty rates, build a better life. Over 32,000 women annually are able to participate in education and technical training programs, also called Plus services. This grant is for the Microcredit Plus program.

**Mass General/ Ragon Institute** **15,000**

The Ragon Institute works with Massachusetts General Hospital in an effort to harness the immune system to prevent and cure human disease. The FRESH Project investigates factors that contribute to the persistently elevated risk of HIV infection among young women in South Africa. This grant is in support of the FRESH Project.

**Multifaith Alliance** **45,000**

The Multifaith Alliance was created in response to the Syrian refugee crisis. The goal of the Multifaith Alliance is to provide humanitarian aid to millions of Syrians in need through the mobilization of the interfaith response. Along with this, the Multifaith Alliance advocates in Washington, collaborating with other immigration and relief organizations in order to improve the lives of the Syrian immigrants living in the United States and elsewhere. This grant is for broadening the Women's Relief Program and its Primary Healthcare Center.

**Piper's Angels** **5,000**

Piper's Angels is an organization whose mission is to provide support and improve the lives of families in the cystic fibrosis community. This is accomplished through awareness and education programs, life-expanding activities, financial support, and research funding. This grant is for general operating support.

**Presbyterian Hospital Foundation**

**10,000**

Presbyterian Hospital Foundation's mission is to improve the health of communities around the Charlotte area. Furthermore, an ongoing goal is to provide medical care for children at no cost to the families. This organization helps to cultivate a healthy community. This grant is for support of immunizations, translation services, equipment, and COVID-19 infection prevention supplies.

**U.S. Mexico Foundation**

**20,000**

The U.S. Mexico Foundation is a nonprofit organization whose mission is to promote binational understanding and collaboration between the United States and Mexico. The Morelia International Film Festival (FICM) is a Mexican film festival where new talents in Mexican cinema can be showcased, quality of cinema can be increased, and the cultural and tourist activities in Michoacán can be promoted. This grant is for general operating support.

**Vermont Parent Representation Center**

**30,000**

Vermont Parent Representation Center is a social service organization dedicated to ensuring that children who are able to live safely with parents or other relatives are able to do so. Along with this, the Representation Center offers legal support for parents who have not been investigated well by Vermont's Child Protective Services. This grant is for the reduction of the necessity for court intervention and to educate the public.

**Imbali**

**25,000**

Imbali is an organization based in Johannesburg, South Africa involved in crafts training and skills development for youth and women from disadvantaged backgrounds. The ultimate goal is the creation of job opportunities and economic empowerment for these individuals. This grant is for general operating support and the development of an e-commerce store.

**Healthy Peninsula**

**10,000**

Healthy Peninsula's primary mission is to improve the health and well-being of the residents in Blue Hill Peninsula, Deer Isle, and Stonington, Maine. Three main focus points of Healthy Peninsula are healthy aging, eating, and families, especially throughout the pandemic. This grant is for general operating support.

• Hanley Foundation

20,000

The Hanley Foundation, based in West Palm Beach and Vero Beach Florida, is an organization committed to combating substance use disorders in surrounding communities. Through education programs, addiction treatment scholarships, and family support services, the Hanley Foundation raises awareness and assists in community prevention of substance use disorders. This grant is for the Lifesaver Scholarship Program and general operating support

Tides Foundation

200,000

In support of Disaster Relief
