

*Virginia Wellington Cabot
Foundation 2022 Annual
Report*

“The mission of the Virginia Wellington Cabot Foundation is to benefit mankind through the practice of responsible philanthropy and to inspire, educate, and unify the descendants of Tom and Virginia Cabot in a worthy cause.” The following is a list of those grants family members have sponsored in 2022.

Culture and Humanities	\$ 115,000
Education and Youth	\$ 508,709
Conservation and Environment	\$ 275,000
Health and Human Services	\$ 622,246
Matching Grants	\$ 213,506.50
Total Given	\$ 1,734,461.50

Culture and Humanities

Boston Lyric Opera

15,000

Boston Lyric Opera is a non-profit that puts on many shows for the Boston community. Their mission is to build curiosity, enthusiasm, and support for the opera across the Greater Boston Area. They do this through creating musically and theatrically compelling productions, events, and educational resources for the community. This grant is for support of community programming initiatives.

Gateway Arts

20,000

Located in Brookline, MA, Gateway Arts is an organization that gives adults with disabilities a studio space to create art. Along with this, Gateway Arts provides individualized services and supports meaningful lives and careers in art. This grant is for a new studio and staff member, and to restart the Community Integration Program.

Intrarte/Koufonisi Music Festival

20,000

The Koufonisia Music Festival takes place in Ano Koufonisi, a small Greek Island. The festival was created to connect us to the past, as well as to understand the rich history and culture of the region, all through the medium of music. Both Greek and international musicians perform, providing wide visibility and opportunities to learn more. This grant is in support of the 8th Koufonisi Classical Music Festival and general operating support.

Opera Maine

10,000

Based in Portland, Opera Maine is a professional opera company dedicated to the production of inspirational and creative performances. In addition, Opera Maine provides the Studio Artist Program, an educational program for youth in public schools. They foster both community engagement and excitement for the artform through the performances of classic and contemporary operas and offering educational opportunities. This grant is for the 2022 mainstage production of Richard Wagner's *The Flying Dutchman*.

Society of the Muse of the Southwest

5,000

Society of the Muse of the Southwest (SOMOS) is an organization that sponsors programs in support of the Southwest's cultural diversity through the literary arts, both written and spoken, by providing place and resources for writers, readers and learners. It is designed to foster intergenerational dialogue between the people of Northern New Mexico. This grant is in support of the 23rd Annual Taos Storytelling Festival.

SQ&LB Artist Collaboration

5,000

Susan Quateman and Leslie Bartlett are two artists based out of New England (Gloucester & Manchester, MA) who are both interested in the intersection of environmental science and visual arts. Their goal is to show the impacts of climate change on the Boston landscape and New England coastline. This grant is for funding a science education project for Boston middle schoolers, bringing together artists, scientists, and educators.

U.S. Mexico Foundation

40,000

The U.S. Mexico Foundation is a nonprofit organization whose mission is to promote binational understanding and collaboration between the United States and Mexico. The foundation partners with the Morelia International Film Festival (FICM) to produce the festival; new talents in Mexican cinema can be showcased, quality of cinema can be increased, and the cultural and tourist activities in Michoacán can be promoted. This grant is for general operating support of the festival.

Education and Youth

Angeles Para Honduras

15,000

Angeles Para Honduras is based in North Hero, Vermont. It is an organization dedicated to helping disadvantaged Honduran children living in poverty. Through access to high quality education, a clinic, and orphanage, APH can empower these youths to give them better control of their futures. This grant is for the construction of a Trade School and general operating support.

Associazione AlpaHa Onlus

15,000

Associazione AlpaHa Onlus is an organization based in Florence, Italy. Started by a group of parents who wanted better pathways for their children who are disabled, AlpaHa Onlus provides a space of work and creativity through Alpaca raising. These young people work with the animals, make yarn, and create woven goods. This grant is for digging an artesian well and installation of an irrigation system.

Camp Ondessonk

2,500

Located in the Shawnee National Forest of Southern Illinois, Camp Ondessonk is a program dedicated to providing youth outdoor education and hands-on experience in nature. Camp Ondessonk offers many different programs created for a range of ages throughout the year, and has a wide variety of exciting activities for the students to participate in. This grant supports the purchase of horses for the trail riding program.

Cape Cod Academy

5,000

Cape Cod Academy is a nonprofit independent and coeducational college preparatory day school, servicing grades Kindergarten through 12. Its mission is to create a safe, value-centered community, which fosters academic excellence and the development of life skills through curricular and extracurricular activities. Their mission is centered on the four, long-standing pillars of: Honesty, Respect, Scholarship, and Compassion. This grant is in support of the Personalized Tuition program.

Cape Cod Lighthouse Charter School

2,500

The Cape Cod Lighthouse Charter School is a regional Commonwealth charter school serving sixth, seventh, and eighth-graders from Cape Cod. With an average class size of 19 students, Cape Cod Lighthouse Charter School fosters academic achievement and intellectual development through experiential, interdisciplinary learning. Students at CCLCS learn through a project-based curriculum which values exploration and discovery in order to see the practical applications of classroom material. This grant is in support of Art Spark, an after-school arts enrichment program.

Chewonki

20,000

Chewonki is an organization based in Wiscasset, Maine, that runs five core programs: Outdoor Classroom, Traveling Natural History Programs, Chewonki Elementary Middle School, Waypoint, and Camp Chewonki. All of these are centered around outdoor education and leadership, teaching appreciation of the natural world and challenging students to build sustainable communities. This grant is for financial aid support of Maine Coast Semester students.

A Child's Notebook

5,000

Located in Seattle, WA, A Child's Notebook is an organization dedicated to creating better education for children living in largely rural communities in Laos. Their mission is to provide safe and hygienic learning conditions, as well as quality education for the children. This grant is for general operating support.

Coaching4Change

20,000

Coaching4Change is an organization that recruits and trains college students to become ambassadors for change within their own communities. Undergraduate students are able to partner with and mentor younger kids to create a positive cycle of change. This grant is in support of expanding programming further into the Greater Boston area.

Florida Atlantic University

10,000

Florida Atlantic University, Dorothy F. Schmidt College of Arts & Letters, serves all of FAU's students by providing humanities, social sciences, and fine arts classes, which fulfill the core classes required for all degrees. The mission of the college is to prepare students to engage the challenges of the 21st Century and work toward the betterment of the region, nation, and world through research and the critical thinking fostered by creative work. This grant is in support of the Dorothy F. Schmidt College of Arts and Letters' Student Scholarship Fund.

Greenwich Academy

35,000

Greenwich Academy was founded in 1827 and is the oldest all-girls school in Connecticut. GA is a college-preparatory day school for grades Pre-k through 12th Grade. GA provides a challenging, comprehensive educational experience grounded in a rigorous liberal arts curriculum within an inclusive and diverse community. This grant goes towards scholarship funds for students who want to attend GA but do not have the sufficient means.

Hawthorne Valley Association

10,000

Hawthorne Valley Association, founded in 1971 in Columbia County, New York, is a nonprofit organization that aims to reintegrate agriculture, education, and the arts into the lives of children, as well as society as a whole. Hawthorne Valley primarily serves children from low-income families through many different educational and experiential programs. This grant is in support of the scholarship fund for the farm and arts summer camp program.

Highland Hall School

10,000

The Highland Hall School is a Waldorf school located in Los Angeles, California. Their mission is to awaken students' critical thinking, emotional intelligence, as well as artistic expression. This is achieved through many different agricultural, music, and artistic programs. This grant is for general operating support as well as the expansion of a compost pilot partnership with local and city communities.

Hurricane Island Foundation

55,000

The Hurricane Island Foundation is an organization with a goal to promote science education, applied research, and leadership development through educational programs with an environmentally sustainable community. The Hurricane Island Foundation works to educate youth about science, sustainability, and leadership through interactive programs and experiential learning. This grant is for the installation of a Fire Suppression System, solar panels, and kitchen/galley renovations.

Hurricane Island Outward Bound School

50,000

Outward Bound, a pioneer in wilderness experiential learning, has been a leader in providing educational experiences to youth and adults worldwide for over 65 years. The organization's mission is to promote character development and self-discovery in people of all ages through leadership and team building experiences. The Pinnacle Partners Program provides wilderness experiences and learning for low-income youth. They teach social and emotional development, and provide long term support services. This grant is in support of the Pulling Boat 2.0 Program and the Pinnacle Partners Program

Island Readers and Writers

25,000

Island Readers and Writers is an organization on Mount Desert Island, Maine whose mission is to inspire passion and excitement about reading and writing for children living in remote and underserved communities. IRW partners with schools in surrounding areas, offering book based programs designed to enhance communication skills in writing, language, and art. This grant is for general operating support.

Jackson Memorial Library

10,000

Jackson Memorial Library is a private library that serves the public at no charge, in St. George's, ME. Their mission is to provide information, material, and programs to families and people of all ages. They aim to educate and enrich the lives of the surrounding community through both personal enjoyment materials and teaching programs. This grant is for the running of a pre-kindergarten program.

Kennett Library and Resource Center

40,000

The Kennett Library and Community Resource Center is an organization based in Pennsylvania. In 2021 a substantial addition to the public library was built; it is slated to open Spring 2023. Their mission is to ignite imagination and create community through educational and community building programming. This grant is in support of running 2023 programming for the new library.

Make A Wish Foundation - VT

10,000

The Make-A-Wish Foundation - Vermont is an organization whose mission is to grant life-changing wishes to children of Vermont who are battling life-threatening illnesses. These wishes bring hope, strength, and joy to the healing process of these children. This grant is for general operating support.

Mashup Community Development

10,000

Mashup Community Development, founded in 2013, is based in Johannesburg, South Africa. Through community programming, they help young people develop leadership, technical, and life skills to earn a livelihood. Their initiatives encourage entrepreneurship, social innovation, and change making. This grant is for general operating support.

Massachusetts Adoption Resource Exchange **10,000**

Massachusetts Adoption Resource Exchange (MARE) is an organization founded in 1957 dedicated to finding homes for children and teens in foster care. MARE collaborates with Massachusetts Department of Children & Families and contracted adoption agencies in order to place these young people in good homes. This grant is for general operating support.

OLICO Maths Education NPC **10,000**

Based in South Africa, OLICO Maths Education NPC's mission is to change the way math is taught and understood. Using confidence-building techniques, this organization makes math accessible and meaningful to South African youths. This grant is for a Whatsapp hotline for increased tutor accessibility.

Play Africa Group NPC **10,000**

Play Africa is an education organization based in Johannesburg, South Africa. Its main programming is a children's museum, where they are dedicated to providing families, students, and underserved communities an enriching educational experience. Their mission is to pioneer inclusive learning spaces, creating engaged citizens and healthy communities by inviting all visitors to discover new worlds and ideas. This grant is in support of a STEM curriculum.

Plummer Youth Promise **30,000**

The Plummer Youth Promise is an organization that helps children in the foster care system to find a safe, stable, and permanent home. They run programs for foster care, training & consulting, and interventions. Plummer Youth Promise aims to give every young person a family who is unconditionally committed to nurture, protection, and guidance, so that the children will have a successful adulthood. This grant is for the construction of a new residential center for teens and young adults.

ReSOURCE YouthBuild **15,000**

ReSOURCE YouthBuild, based in Chittenden County, Vermont, empowers individuals and strengthens communities through workforce development, poverty relief, and environmental stewardship. Focusing on men and women who have dropped out of high school, ReSOURCE YouthBuild trains students in construction and energy efficiency in order to prepare them for employment in the construction industry. This grant is for general operating support.

Skateistan

23,709

Skateistan is an organization founded in Kabul, Afghanistan in 2008, but now reaches children throughout Asia, Sub-saharan Africa, and South American. They mainly teach children who are often excluded from sports and educational opportunities: girls, children from low-income communities, children with refugee or migrant backgrounds, and children with disabilities. Through skateboarding, they provide life skills, resilience, support, and education for children living in conflict zones. This grant is for general operating support.

Society for Classical Studies

10,000

Society for Classical Studies is an organization dedicated to advancing the knowledge, understanding, and appreciation of the Greek and Roman world through education programs and public engagement. The Ancient Worlds, Modern Communities initiative is a newly launched program meant to support individuals and institutions running public-facing performances, exhibitions, reading groups, and other events that engage communities. This grant is in support of the Ancient Worlds, Modern Communities initiative.

Thompson Island Outward Bound

10,000

Thompson Island Outward Bound is an organization based in Boston dedicated to educating youth about the environment, while using the natural world as a classroom. One program is called Thompson Island's Connections, which, in partnership with Boston Public Schools, provides a multi-year progression of STEM and social-emotional learning for middle schoolers. This grant is in support of the Green Ambassadors program for Boston Public Schools' high school students.

Woodlawn School

40,000

The Woodlawn School, located in Mooresville, North Carolina, is an independent school for students K-12. They believe in educating children through hands-on, integrated, project-based, experiential learning. Their mission is to produce independent, life-long learners who are responsible, contributing members of a diverse global society. This grant is for financial aid and ESL for refugee students and expansion of a summer program for public school teachers who serve low-income children.

Conservation and Environment

Big Circle Studios

10,000

Big Circle Studios is an environmental research and design organization based in Johannesburg, South Africa. Through the creation of arts and products that represent the structural and physical economy of waste, Big Circle Studios spreads awareness about these problems. Their goal is a circular economy, which they move towards with workshops, online exhibitions, and open-access databases to reach an international audience. This grant is for funding of biomaterial research.

Borderlands Restoration Network

15,000

Borderlands Restoration Network is a non-profit based in Patagonia that focuses on the restoration of the area encompassing Arizona, Sonora, and the Indigenous Nations on both sides of the US/Mexico border. Their mission is to restore both the environment and the rural communities surrounding it. They do this through restoring watersheds, improving ecosystems, training community members, and more. This grant is for the purchase of Deep Dirt Farm in Patagonia.

Center for Northern Woodlands Education

15,000

The Center for Northern Woodlands Education is an organization based in New Hampshire. Their main goal is to advance a culture of forest stewardship in the Northeast. They accomplish this through publications and free, accessible educational resources for the general public. They are currently running articles to support climate-friendly carbon management practices in the forests of New England. This grant is for support of the multi-state Securing Northeast Forest Carbon Program.

Coral Restoration Foundation

10,000

Based in the Florida Keys, Coral Restoration Foundation is a marine conservation organization that aims to protect and restore the Florida Reef Tract, which runs along the coastline. They develop and implement methods to restore the reef, as well as educate others on how to help. This grant is for the restoration of a threatened coral species commonly known as Pillar Coral.

Gulf of Maine Research Institute **25,000**

Gulf of Maine Research Institute (GMRI) focuses on conservation of oceans and oceanic animals. The gulf of Maine is a unique ecosystem heavily affected by global warming, which GMRI is trying to reverse through research initiatives and educational programming. Their four main goals are: achieving a healthy ocean ecosystem, seafood sustainability, a thriving marine economy, and counteracting climate change. This grant is for general operating support.

Intervale Center **20,000**

Intervale Center is an organization located in Burlington, Vermont focused on farming and conservation. Their mission is to foster a community of care and strengthen community food systems by enhancing farm viability, promoting sustainable land use, and engaging people in the food system. This grant is for general operating support.

Island Heritage Trust **15,000**

Island Heritage Trust is a conservation organization serving residents of Deer Isle and the Blue Hill peninsula. Their main programming covers land conservation and environmental education, with goals of preserving natural resources, trails, shorelines, and islands. This grant is for general operating support.

Maine Island Trail Association **10,000**

Maine Island Trail Association is based in Portland, but covers the coast of Maine. This organization is dedicated to advance a model of thoughtful use and volunteer stewardship of Maine's wild islands. In addition to handling visitor education MITA coordinates volunteer stewardship work to care for a water trail running from Kittery to Cobscook Bay. This grant is for general operating support.

The Nature Conservancy of Vermont **10,000**

The Vermont chapter of the Nature Conservancy was started in 1960 and has since helped protect more than 183,000 acres of the state's most ecologically important areas. In addition to acquiring conservation land, the Vermont chapter works to foster conservation and awareness of the need to protect biological diversity. This grant is for general operating support.

Oregon Environmental Council

10,000

The Oregon Environmental Council is dedicated to climate protection, safeguarding communities and economy, providing clean and plentiful water to people, fish, and wildlife, and an overall toxic-free environment, all in an effort to protect human health and the environment. This grant is for the Toxic Air Pollution Reduction Project, which protects people from toxic chemicals found in air and children's consumer products.

Public Employees for Environmental Responsibility

35,000

Public Employees for Environmental Responsibility (PEER) is an environmental protection organization, whose mission is to protect public employees who protect our environment. This allows agencies to confront the message itself, and allows employees to speak out about issues concerning natural resource management without repercussions. This grant is for the branch in Long Island and New York, and supports the fight against new turf fields which will bring contamination to the only water source on the island.

Public Employees for Environmental Responsibility

35,000

Public Employees for Environmental Responsibility (PEER) provides aid all across the United States. One of their ongoing efforts is to reduce the amount of polyfluoroalkyl substances (PFAS) in pesticides, artificial turf, pet products, etc. This grant is in support of two PFAS contamination studies as well as education and advocacy around the results.

Puget Soundkeeper Alliance

15,000

Puget Soundkeeper has been working for over 35 years to stop pollution and protect the health of Puget Sound's water resources and the communities that rely on them. The organization has three main programs, all of which are targeted at bettering the aquatic ecosystem using outreach messages, hands-on educational experiences, and technical assistance to meet the challenges facing Puget Sound head-on. This grant is for general operating support.

Rainforest Trust

10,000

Rainforest Trust is based in Virginia but has safeguarded more than 41 million acres of rainforest across 68 countries in the Global South. Through partnerships, community engagement, and land purchase, Rainforest Trust is able to support its mission of saving endangered wildlife and protecting vital ecosystems. This grant is for protecting 426,154 acres of Colombia's Sierra Nevada mountain range.

Rivers and Birds

5,000

Based in Taos County, New Mexico, Rivers and Birds is an organization that is dedicated to the preservation of Southwestern ecosystems. Along with organizing environmental protection campaigns, Rivers and Birds leads local public school students on environmental learning trips to teach stewardship and science. This grant is in support of two-day outdoor environmental programs to two public elementary classes in Taos County.

Wild Care, Inc.

5,000

Wild Care is a conservation-based wildlife hospital in Cape Cod, dedicated to offering free rehabilitative care to ill, injured, and orphaned native wildlife. They work to reduce the numbers of animals impacted by human activity through educational outreach. The organization has accepted over 27,000 wild creatures since its founding and receives around 2,000 wild animals per year for treatment. This grant is for staff funding in response to the increase of vulnerable wildlife during nursery season.

Health and Human Services

Addison County Parent/Child Center

10,000

The Addison County Parent/Child Center is dedicated to helping young parents by helping them complete a high school education, job training, and other social services, all while providing child care. This center helps disadvantaged youth parents to become more responsible and prepared. This grant is for the support of the Nature-Immersed Therapeutic Child Care program.

Bristol Rescue Squad

30,000

The Bristol Rescue Squad is a volunteer based organization that provides emergency health care to those in need in Bristol, New Haven, Monkton, Starksboro, and Lincoln, Vermont. Their mission is to enhance community health through high quality, compassionate, pre-hospital emergency care. This grant is for improved communication network and general operating support.

Collateral Repair Project

25,000

The Collateral Repair Project works in Amman, Jordan to provide assistance to people who were displaced due to ongoing conflict. This organization helps refugees to heal both physically and emotionally, through community, skill-building, and health and wellness programs. This grant is for a tutoring program for refugee and impoverished youth and rebuilding outdoor community spaces.

Common Ground Collective

30,000

Common Ground Collective is an organization based in Maui, HI. This non-profit is dedicated to improving food security and economic opportunities to the people of Maui. This is done through building new food infrastructures and networks in the community, and providing education and food distribution to the public. This grant is for general operating support.

Commonweal

2,500

Commonweal was founded in 1976 and is a support organization for the Whidbey community. Through social and emotional support programs, Commonweal aims to create a nurturing, supportive place where anyone impacted by illness, a life-changing condition, or grief and loss can heal. This grant is for general support of the Healing Circles program.

Comprehensive Alcoholism Rehabilitation **50,000**

Comprehensive Alcoholism Rehabilitation Programs (CARP) works to break the cycle of hopeless addiction, dependency and resulting homelessness. They offer affordable housing, rehabilitation programs, and clinical treatment to homeless and indigent Palm Beach County residents suffering from alcoholism and addiction. These grants are for general operating support.

Dharamsala Animal Rescue **10,000**

Dharamsala Animal Rescue is based in Rhode Island, but operates in Dharamsala, India. This organization aims to provide a humane environment for stray dogs and other animals on the streets. They also have programs like spay/neutering, rabies vaccinations, rescue and adoption, and community education. This grant is for general operating support.

Family Nurturing Center **25,000**

The Family Nurturing Center helps families throughout Boston and the Commonwealth to create a nurturing and supportive environment for their children. Through parenting programs and support networks, the FNC is able to create communities that promote healthy human development. This grant is for general operating support.

First Nations Women's Alliance **10,000**

First Nations Women's Alliance (FNWA) runs programs in three Tribal Nations in North Dakota and a multi-Tribal college campus. The organization is dedicated to building families and communities free from domestic and sexual violence. FNWA does this by holding prevention and outreach activities, engaging policy makers, and advocating on the Tribal, local, and state level. This grant is for support of the Missing and Murdered Indigenous People (MMIP) work.

Friendship Bridge **25,000**

Friendship Bridge is an organization dedicated to helping Guatemalan women, who are primarily indigenous Maya and live in areas with high poverty rates, to build a better life. Over 32,000 women annually are able to participate in preventative health services, educational programs, and technical training through Plus services. This grant is for the Microcredit Plus program.

The GrowHaus

30,000

The GrowHaus is working towards long-term, systemic change in hunger relief. Based in Denver, the organization primarily assists low-income communities through food distribution programming, educational opportunities related to growing and cooking food, and overall wellness programming for families. This grant is for general operating support.

The Hanley Foundation

5,000

The Hanley Foundation, based in West Palm Beach and Vero Beach, Florida, is an organization committed to combating substance use disorders in surrounding communities. Through education programs, addiction treatment scholarships, and family support services, the Hanley Foundation raises awareness and assists in community prevention of substance use disorders. This grant is for the Lifesaver Scholarship Program and general operating support

Healing Abuse Working for Change

5,000

Healing Abuse Working for Change (HAWC) is an organization dedicated to providing services to victims of domestic violence and children of survivors. HAWC provides crisis intervention and triage services, a 24-hour hotline, legal advocacy, mental health support, resources, and more. This grant is in support of the Legal Service Program.

Healthy Peninsula

25,000

Healthy Peninsula's primary mission is to improve the health and well-being of the residents in Blue Hill Peninsula, Deer Isle, and Stonington, Maine. Three main focus points of Healthy Peninsula are healthy aging, eating, and families. These grants are in support of early childhood programming and the Age-Friendly Coastal Community initiative.

Hesperian Health Guides

20,000

Hesperian Health Guides is an organization that provides health services to underserved communities around the world. Their mission is to equip all people with information and tools that empower them to take control of their health, and eliminate underlying causes of poor health. This grant is to create and test a safe pregnancy and childbirth app, and support healthy mothers and babies in Latin America.

Imbali

20,000

Imbali is an organization based in Johannesburg, South Africa, and is involved in crafts training and skills development for youth and women from disadvantaged backgrounds. Through art and creativity, entrepreneurship, critical thinking skills, and cultural sustainability can be achieved. The ultimate goal is the creation of job opportunities and economic empowerment for these individuals. This grant is for the development of a craft enterprise skills program.

Lahey Health and Medical Center

50,000

The Lahey Health and Medical Center is dedicated to providing superior medical and health care to every patient. This organization uses advanced technology and performs research as well as medical education, with a goal of expanding access, care capabilities, and advancing research. This grant is for research into tools for early diagnosis of lung disease.

Luvin Arms Animal Sanctuary

5,000

Luvin Arms Animal Sanctuary is in Erie, Colorado, and is an organization for abused and neglected farm animals. These rescued animals are provided with social, emotional, and cognitive care. The mission of Luvin Arms is to create a sanctuary of inspiration and connection where people are empowered to create change. This grant is in support of educational programming for the public.

Many Hopes

10,000

Many Hopes serves children across six countries in Africa and Latin America, rescuing them from inhumane treatment such as slavery, abuse, or abandonment. Through educational programming and a nurturing environment, these children are supported, empowered, and equipped to help others. This grant is for general operating support.

Multifaith Alliance

37,246

The Multifaith Alliance was created in response to the Syrian refugee crisis. The goal of the Multifaith Alliance is to provide humanitarian aid to millions of Syrians in need through the mobilization of the interfaith response. Along with this, they advocate in Washington and collaborate with other immigration and relief organizations in order to improve the lives of the Syrian immigrants living in the United States and elsewhere. This grant is in support of the Primary Healthcare Center.

Partners for Justice **25,000**

Partners for Justice was formed in 2018, and is an organization that aims to help traditional public defender agencies. Their mission is to increase access to justice and reduce racial and economic disparities in the criminal legal system by transforming public defense. In 2021, they served 2,536 people throughout the United States. This grant is for general operating support.

Peterborough Human Services Fund **10,000**

Peterborough Human Services Fund (PHSF) is a volunteer organization based in Peterborough, New Hampshire. The organization supports residents around the area in supplying food and financial aid to those in need. Their mission is to end hunger and ease distress while treating each person with dignity and respect. This grant is for general operating support.

Piper's Angels **20,000**

Piper's Angels is an organization whose mission is to provide support and improve the lives of families in the cystic fibrosis community. This is accomplished through awareness and education programs, life-expanding activities, financial support, and research funding. This grant is for general operating support.

Sail to Prevail **10,000**

Sail To Prevail is located in Newport, Rhode Island, and creates opportunities for children and adults with disabilities to overcome adversity through therapeutic sailing programs. The Adaptive Sailing program helps to build self-confidence, teamwork, and leadership. This grant is for financial aid for low-income participants.

Tuba City Humane Society **45,000**

Tuba City Humane Society is an organization working in the Navajo Reservation in Arizona. Their mission is to help stray dogs and cats with an assortment of veterinary care as well as finding homes for them. Made up entirely of volunteers, they provide care to the large number of stray animals around the reservation, and support owners with access to basic veterinary care. This grant is for the rescue, rehabilitation, and veterinary care of the animals.

Vermont Parent Representation Center

40,000

Vermont Parent Representation Center is a social service organization dedicated to ensuring that children who can live safely with parents or other relatives are able to do so. Along with this, the Representation Center offers legal support for parents who have not been investigated well by Vermont's Child Protective Services. This grant is for the Substantiation Appeal Project and the Family Help Line.

Wellspring House, Inc.

5,000

Wellspring House Inc. was founded in 1981, and has since helped over 10,000 families to find stable employment and housing. Their mission is to inspire families and adults to achieve employment and financial security through stable housing, education, job training, and career readiness. This grant is for general operating support.

Whidbey Island Nourishes

2,500

Whidbey Island Nourishes (WIN) is a nonprofit organization dedicated to nourishing youth on South Whidbey Island through providing no-cost, ready-to-eat healthy meals. WIN's programs help ensure that young people have access to the nutrition that they need, which supports optimal development and academic achievement. This grant is for general operating support.

WomenSafe, Inc.

40,000

WomenSafe, Inc. serves the women in and around Addison County and Rochester, Vermont. This organization works towards the elimination of physical, sexual, and emotional violence of women through direct service, education, and social change. WomenSafe provides resources like a 24 hour hotline, advocacy services, prevention and education services, and a supervised visitation program for survivors of domestic and sexual violence and stalking. This grant is for general operating support.
